- 2 Athletes must be current financial members of Ice Skating Australia.
- 3 Athletes must be eligible to compete in the event (as per age / test level criteria on the competition announcement).
- 4 Each individual Competition/Championship Announcement will detail entry requirements. Please follow these directions carefully to ensure acceptance of entry to the Competition/Championships. Entries should be forwarded directly to the relevant State Association or Club as directed on the relevant announcement.
5. Individuals entering Interstate Competitions or Championships or Overseas Competitions must advise WAISA by emailing the Secretary at waisasec@outlook.com

Reasoning: Some States require on line entry and the requirement for entries to be approved and lodged by the State Association is no longer valid.
