

Position Statement of January 31st Government Mandate Proof of Vaccination/ valid medical exemption for WAISA events.

In line with State Government Directives, you will be required to show proof of vaccination or proof of a valid current medical exemption when you enter our Tests or Competitions. As of Monday 31st January 2022. This is effective for ages 16 years and over.

Please note without proof of vaccination or a valid medical exemption you will be denied entry into the venue for any WAISA event.

We recognize that this is quite a transition, and we appreciate your support moving forward. We appreciate your patience and understanding as we navigate this new State Government direction together.

Please be respectful to staff and volunteers. This direction has been mandated by the State Government, not Cockburn Ice Arena nor our council and volunteers.

We respect everyone's beliefs, opinions, and stances on the matter. However, these are the rules we must follow to operate WAISA.

To assist us with getting you into the venue please follow the steps to help expedite the process

1. Download the ServiceWA app to set up your proof of vaccination. Here is the link to assist you [ServiceWA](#)
2. Have a digital or paper-based form of vaccination ready (accompanied with a valid form of ID such as a Driver's License)
3. Regularly check all exposure sites and follow the WA public Health advice [Exposure sites Department of Health](#)
