

Position Statement in Acquiring and Displaying Images of Children

The Western Australian Ice Skating Association adopts the practices and guidelines given by the Australian Sports Commission and the WA Department of Sport and Recreation in its' use of acquiring and displaying images of children. These practices are designed to keep children safe from internet predators and identity theft.

Images on our website or on our promotional material will comply with the guidelines and photography and videoing at our events will only be permitted where the appropriate permission slip has been received.

If a person is taking photographs or videoing inappropriately (e.g. breaching the restrictions or ban in place) they will be asked to leave the venue (without threatening violence, detention, or confiscation of the camera or film).
