POLICY

WAISA is committed to providing a safe environment for its members, including skaters and officials, coaches, and spectators.

WAISA recognizes that risk management strategies must be integrated in all operations of the organization.

WAISA aims to:

- Identify and reduce the risk of activities that may cause personal injury, illness, property or environmental damage.
- Provide it's members and affiliates with information and instruction to increase their understanding of risk management.
- Comply with legislation and acceptable sporting standard practices.
- Involve it's members and affiliates in safety matters and consult with them on ways to recognize, evaluate and control potential hazards.
- Ensure that State Association and affiliated Club officials comply with the risk management requirements.
- Actively promote sport risk management practices.
- Annually review the Risk Management Policy and Protocols to ensure it remains relevant and appropriate to the organisation.
- Maintain records of documentation relating to risk management.

WAISA is committed to encouraging consultation and co-operation between its members, including skaters and officials, and coaches.

It will formally involve its stakeholders in any risk management strategy which may affect their members and spectators.

WAISA as a Member of Ice Skating Australia (ISA) adopts the ISA Risk Management Policies and Protocols Manual (Policy ISA-14) a copy of which is available at www.isa.org.au
